I love animals.

animals.

a source of  
good health  
and

They are

good mood,  
because

good health  
and good mood

depend on  
what we eat.

Some people  
think that

the pig

is a dirty animal,

but I don't

think so.

It's very good

cooked on a  
barbecue

with red wine.

I also like

fish

(with  
white wine)

But my favourite  
animals

are cows,  
because

my wife  
cooks

very tasty

stew

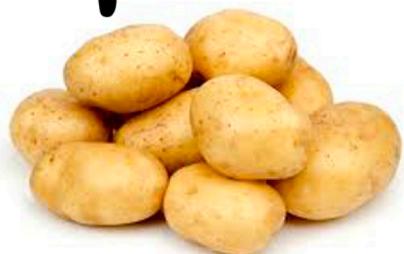

+

+

+

veal with

carrots,

potatoes and

green peas.

=

Mmmmm!!!

I'm big,  
strong

and

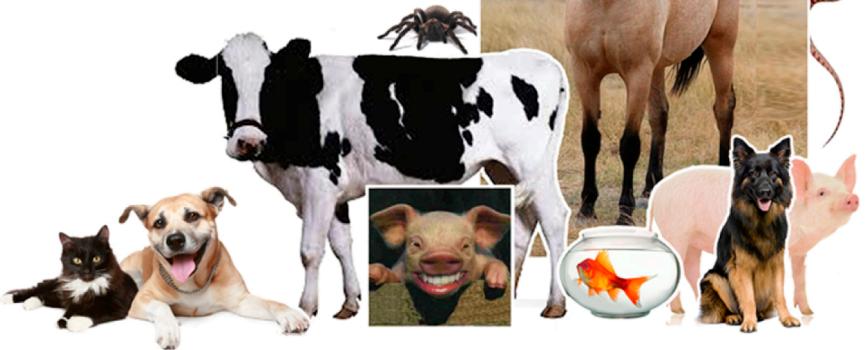

healthy

and I

owe it to

animals!
